ABOUT ME

Highly motivated and result-oriented React developer, interested in everything related to front-end development. I'm eager to join a new interesting project where I can apply my knowledge and improve my skills by writing clean and maintainable code and finding user-friendly solutions. I also have an engineering degree, which helps me solve complex problems and find the best solutions.

EDUCATION

2019 - 2022

Bachelor of Engineering - BE, Electrical energetics, electrical engineering and electromechanics.

National Technical University of Ukraine 'Kyiv Polytechnic Institute'
